

Hello Mesa View,

We would like to thank those who attended the wall presentation last Thursday, April 11, 2019. We received wonderful feedback from those present.

The Board would like to hear from as many MVE homeowners as possible. Below you will find a link which will allow you to view the presentation, see updated slides from R-Design and other pertinent information along with a link to complete our online survey.

We are encouraging all MVE owners to review the presentation and materials and complete the online survey. There is a financial impact that could result in either an increase to annual dues or a special assessment depending on feedback received from the survey.

The survey will help gather homeowner input which will provide the Board direction on how to proceed with the final landscape design.
